

RODELLE VANILLA & FLAVORS FOR ICE CREAM

COMPANY PROFILE

As one of the world’s largest vanilla extract manufacturers and most innovative flavor companies, Rodelle Inc. strives to provide every customer with world-class service and support. Rodelle’s Research & Development team can match and develop vanilla flavors that are specific to your needs. Using a unique combination of vanilla beans, extraction techniques and aging, Rodelle will create the unique flavoring offerings that make your products shine. Let Rodelle be your go-to supplier for vanilla and all other ice cream flavor needs.
